# Sheriff Danny R. Heath

792 Highway 58 S, Trenton, North Carolina 28585

April 9, 2018

To: Jones County Board of Commissioners

From: Sheriff Danny R. Heath

Subject: Request for purchase of a FLIR (Forward Looking Infrared) equipped Unmanned Aerial System (UAS) operated by a Sheriff's Office licensed Federal Aviation Administration (FAA) - Remote Pilot

1. The Animal Crimes Unit (ACU) has had great difficulty locating dog and cock fighting locations in the County. The locations are in remote heavily wooded areas, usually some distance from public roads. The ACU has many times received confidential information regarding possible locations of dogs and cocks being trained to fight or actually fighting in matches. North Carolina law requires corroborating and convincing evidence before a search warrant can be issued by a magistrate. With the use of a UAS equipped with a FLIR video camera any of these remote locations can be over flown and the heat signatures of the animals and any humans identified immediately. This video recording can then be presented to a magistrate to support a search warrant based on probable cause.

I wish to expend less than \$6,000.00 from the Animal Crimes Trust Fund to purchase a certified UAS equipped with FLIR to assist the ACU in the investigation of Dog and Cock fighting in the County. This expenditure includes all necessary support equipment such as batteries, charger, carrying case etc. The operational cost for the use of this aircraft is projected to be \$ .15 per hour of flight time. The Animal Crimes Trust Fund was created to support the activities of the Animal Crimes Unit of the Sheriff's Office. Your Approval of this request would be greatly appreciated.

The Sheriff's Office currently has one FAA Licensed Remote Pilot and NCDOT Licensed UAS Commercial Operators Permit Pilot who is certified in three (3) different types of UAS's, and who flies under FAA Part 107 rules.

Phone: (252) 448-0035 Facsimile: (252) 448-1693

#### Additional County Uses of the UAS:

- 2. The FLIR equipped UAS can and will provide critical information for Sheriff, fire, EMS and county Emergency Management professionals in a variety of additional situations.
- 3. For Deputy Sheriff's who must go into tense, volatile situations hostage situations, active shooter, high risk arrest and search warrant service, etc. a FLIR equipped UAS can provide live, aerial video of the crime scene location which will protect Deputy's and save lives. For instance, a UAS would monitor the surrounding area, letting Deputy's know if there are additional victims or criminals they need to be prepared for.
- 4. In this way, the UAS become part of the agency's real time **situational awareness strategy** conducted by the Sheriff's Management Team, which is a vital element of protecting the lives of both Deputy's and private citizens of Jones County.
- 5. A UAS is able to overview areas during <u>Search and Rescue</u> missions where lost hunters, missing fisherman, senior citizen missing persons etc. are thought to be and with the use of a FLIR camera, persons can be located immediately and lives can be saved. The use of the UAS significantly reduces the cost and use of additional manpower. With a UAS in the air, Fire and EMS services can use it for situational awareness at chemical spills, in large-scale incidents, decreasing the chance that firefighters and other emergency management personnel will be put in situations of unnecessary risk or placed in harm's way. On several occasions, Jones County has already used a FAA licensed UAS using aerial photography effectively for after Storm Damage assessments and suspected environmental protection violation issues.
- 7. The FLIR equipped UAS could be used to inspect county owned office buildings to determine loss of heat during the winter and loss of cold air during the summer months. Leaks would be identified immediately potentially saving the County on electrical costs.

#### TAX FORECLOSURE ATTORNEY AGREEMENT

This agreement, made and entered into this the st day of July, 2018, by and between Jones County, hereinafter referred to as County, and Mark D. Bardill, P.C., a North Carolina professional corporation, trading as Zacchaeus Legal Services, hereinafter referred to as Attorney, shall be for the legal services to be provided for foreclosure actions on delinquent real property taxes due to the County, and to this end, the parties hereto make the following recitals:

#### WITNESSETH:

WHEREAS, Attorney has in excess of thirty years of experience serving as Special Tax Attorney for the Counties of Onslow, Jones, Craven, Lenoir, Beaufort, Wilson, Warren, Chatham, Lee, Cabarrus, Scotland, Tyrrell, Forsyth, Iredell, Yancey, Yadkin, Gates, Dare, Richmond, Washington, Catawba, Chowan and Guilford and the Towns of Jonesville, Wallace, Columbia, Rose Hill, Yadkinville, Dobbins Heights, Gibsonville, Plymouth, Hoffman, Farmville, Maxton, Roper and the City of Lumberton; and

WHEREAS, tax foreclosure is a certain and special area of practice and any attorney who serves as a Special Tax Attorney must provide specially trained staff, must advance thousands of dollars in costs and must dedicate other resources in order to successfully complete the foreclosure assignments made to it; and

WHEREAS, to support these specially trained staff, advanced costs and other dedicated resources, Attorney needs to extend the contract with County to serve as its special tax attorney for a term of three (3) years; and

WHEREAS, Attorney has served the County well as its Special Tax Attorney and County desires to continue to retain Attorney in this capacity; and

NOW, THEREFORE, for good and valuable consideration, and upon the agreements, conditions, and covenants found herein, the parties hereto agree as follows:

- 1. The Attorney shall initiate foreclosure actions for all parcels with delinquent taxes to be assigned in batches made on or before the 1st day of every May, August, November and February during the term of this agreement, or in more frequent intervals, upon mutual agreement of the parties hereto.
- 2. The Tax Collector shall provide to the Attorney the name of the delinquent taxpayer, the most recent address on file, the total delinquent taxes, including interest and penalties by year and a map of the parcel with its identification number. This information shall be in the form of a computer printout and GIS Map, with other information provided as available.
- 3. All related work and filing of foreclosure actions shall take place within one hundred eighty (180) calendar days from the date that the Tax Collector transmits the initial information outlined in Paragraph 2 above and the request for foreclosure to the Attorney;

however, if for some reason, the foreclosure action is not filed within one hundred eighty (180) calendar days from the date of transmittal, Attorney shall submit a written statement to the Tax Collector as to the reason why the action has not been filed. If a Taxpayer tenders payment in full prior to the filing of the complaint, the Tax Collector must accept payment and no attorney fees are due from the Taxpayer. Provided, however, should the Tax Office fail to inform the Attorney that a parcel has been paid in full while Attorney continues to work on preparing the case for filing, then in that event the Tax Office shall pay Attorney the standard per parcel fee as set forth in Paragraph 6 (as reduced by Paragraph 9, if applicable) and all incurred expenses, copy charges, and the like even though the case has not been filed.

- 4. The Attorney shall notify the Tax Collector, in writing, immediately upon the filing of a foreclosure complaint with the Office of the Clerk of Superior Court. Attorney and County acknowledge and agree that heretofore, the payment of the fee to file tax foreclosure cases in the Office of the Clerk of Superior Court and for in-County service by the Sheriff has been deferred pursuant to N.C.G.S. Section 105-374(i). Should the laws of North Carolina be changed so that payment of said fees can no longer be deferred, or should the Clerk of Court of Jones County or the Sheriff of Jones County refuse to adhere to said statute, County agrees to immediately advance said fees upon request by Attorney.
- 5. The Attorney shall bring the foreclosure to conclusion within two years after filing said foreclosure action with the Clerk of Court's office; however, if for some reason, the foreclosure action is not concluded within two years of filing, Attorney shall submit a written statement to the Tax Collector as to the reason why the action has not been concluded.
- 6. The Attorney shall be compensated in each foreclosure action in accordance with procedures set forth in the North Carolina General Statutes, Chapter 105 as ordered by a District or Superior Court Judge, or as agreed between the instant Taxpayer and Attorney. Attorney shall be guaranteed compensation for foreclosure on each parcel in the amount of:
  - a. seven hundred fifty and 00/100 dollars (\$750.00) plus all incurred expenses, i.e., service fees, copy charges, postage, publication costs, filing fees, and the like, for each foreclosure currently filed as of the beginning or to be file during the first year of the term of this agreement; and
  - b. eight hundred fifty and 00/100 dollars (\$850.00) plus all incurred expenses, i.e., service fees, copy charges, postage, publication costs, filing fees, and the like, for each foreclosure currently filed as of the beginning or to be file during the second year of the term of this agreement; and
  - c. nine hundred fifty and 00/100 dollars (\$950.00) plus all incurred expenses, i.e., service fees, copy charges, postage, publication costs, filing fees, and the like, for each foreclosure currently filed as of the beginning or to be file during the third year of the term of this agreement;

Attorney shall be paid said compensation and costs upon settlement of the foreclosure action prior to the Order of Foreclosure, upon redemption of the parcel from sale or as part of the amount paid to purchase the property at sale. If the Taxpayer applies to the District or Superior Court for determination of a reasonable attorney fee pursuant to the procedures set forth in the North Carolina General Statutes, Chapter 105, and the Court awards less than the pertinent amount set forth herein, the County shall pay the balance of said compensation within thirty (30) days of said award from the County's local funds for legal work.

7. The Attorney shall use its best efforts to be appointed the Commissioner in the Order of Foreclosure, and upon public sale of such property pursuant to the Order of Foreclosure as provided for in Chapter 105, the Attorney shall be entitled to a Commissioner's Fee, plus incurred expenses, in accordance with the schedule provided for in Chapter 105, as approved by the Clerk of Superior Court. However, to assist the County in collecting all taxes due without reduction by the amount of the Commissioner's Fee, the Attorney agrees that as Commissioner, it shall be paid only to the extent available after payment of all amounts so ordered in the Order of Foreclosure plus the expenses incurred by the Attorney to advertise and give proper notice of public sale of such property. To this end, these expenses shall be added to the amount of taxes, fees and costs as ordered in the Order of Foreclosure to determine the opening bid by the County for purchase of such property from local funds. For purposes of illustration, compare the examples below where a typical 5% commission would be appropriate in a foreclosure with \$3,000.00 of taxes, \$1,500.00 of attorney fees and costs and \$500.00 of advertising/notice of public sale expenses (Total without Commissioner's Fee \$5,000):

## Example #1 - County as High Bidder @ \$5,000

In this example, the County is paid in full for the taxes and interest which have accrued to the date the Order of Foreclosure is entered, the Attorney is paid in full for the attorney fees and costs incurred to the date of the Order of Foreclosure, the expenses incurred by the Attorney to advertise and give proper notice of public sale are paid, but no Commissioner's Fee is paid.

## Example #2 - Other High Bidder @ \$5,100

In this example, all amounts outlined in Example #1 are paid, plus \$100.00 of the \$255.00 5% Commissioner's Fee is paid.

## Example #3 - Other High Bidder @ \$5,500

In this example, all amounts outlined in Example #1 are paid, the \$275.00 5% Commissioner's Fee is paid, and \$225.00 is paid to the Clerk to hold as surplus from the sale.

- 8. If the Taxpayer files a petition in bankruptcy during the period any foreclosure action brought pursuant to this agreement is pending, the Tax Collector shall file, as part of its claim to the bankruptcy court, the fees, costs and expenses set forth herein, and shall pay Attorney for such amounts within sixty (60) days of written notification to Tax Collector of such bankruptcy. If the Taxpayer's petition is dismissed or a lift of the stay of bankruptcy court is obtained during the term of this agreement, Attorney agrees to proceed with the foreclosure and complete the remaining services due from it hereunder.
- 9. If the County assigns to the Attorney, in any one assignment, more than one parcel owned by the same Taxpayer or Taxpayer(s) and none other and encumbered by the same liens, the County's obligation to pay the compensation set forth in Paragraphs 6, 7 and 8 shall be based on the following per parcel charge: 2 to 5 parcels, the same amount as set forth above per

parcel; 6 to 10 parcels, the same amount as set forth above less fifty (\$50.00) dollars per parcel, 11 or more parcels, the same amount as set forth above less one hundred (\$100.00) dollars per parcel, plus all costs and expenses.

- 10. The Attorney shall not apply for fees over the amounts aforementioned except for unusual, novel, or very difficult cases. The provisions of this paragraph shall be rarely invoked, if at all. Furthermore, the Attorney shall notify the Tax Office for approval before taking on extraordinary time and expense so as to make such application for additional fees necessary.
- 11. The County shall pay to the Attorney a fixed fee of three hundred fifty dollars and 00/100 (\$350.00) if a parcel is recalled before suit is filed or the standard per parcel fee as set forth in Paragraph 6 (as reduced by Paragraph 9, if applicable) if a parcel is recalled after suit is filed plus all incurred expenses, i.e., service fees, copy charges, postage, publication costs, filing fees, and the like, in the event of double listings, clerical, or other erroneous information provided by the Tax Collector to the Attorney, or legal, practical or administrative problems discovered by the Attorney which result in legal impracticality or impossibility to effect proper collection remedies through foreclosure.
- 12. Costs, expenses, and the like, to the extent that they are ascertainable as of the time this Agreement is executed, are as follows: a) copies at \$ .25 per copy for those made at Attorney's office and as incurred by Attorney as to copies made elsewhere, *i.e.* register of deeds, clerk of court, *etc.*, with a minimum charge of \$.25 per copy, b) filing fees as set by statute, currently \$150 per suit, \$20 per notice filed, and \$15 per *alias & pluries* summons issued c) publication costs as incurred by Attorney according to the publishers' then current rate, d) service fees by certified and regular mail as set by the United States Postal Service, currently \$6.88 per envelope for certified mail, e) service fees by North Carolina Sheriff as set by statute, currently \$30 per defendant/lienholder, and f) service fees by out of state service providers as set by that state's statute.
- 13. To ensure that the proper amount of delinquent taxes, interest, fees and costs are collected, the Attorney and the Tax Collector shall verify with one another the amount due at the time when, and if, the Taxpayer satisfies the tax lien after the complaint is filed but prior to foreclosure.
- 14. All funds collected shall be paid to the Tax Collector and shall be paid in the form of cash, bank check or certified funds. County shall immediately inform Attorney of the receipt of any such funds and the parcel to which they pertain. Any part of any such funds that represent attorney fees, service fees, copy charges, postage, publication costs, filing fees, and the like shall be remitted to Attorney as part of the next ensuing regular disbursement by the County Finance Office.
- 15. Subject to the terms below, Attorney shall be the sole and exclusive special tax foreclosure attorney for the County during the term of this agreement. County shall use its best efforts to assign all of its parcels with delinquent property taxes to Attorney pursuant to the terms hereof during the term of this Agreement.

- 16. Attorney's services hereunder are limited to the general prosecution of foreclosure actions to collect delinquent taxes assessed against real property located in the County, including title search services, document preparation, court appearances to obtain orders of foreclosure by default judgment, judgment on the pleadings, summary judgment, appearances as Commissioner to sell property at public sale, and negotiation with Taxpayers in settlement of such actions. Attorney's services hereunder do not include preparation of and response to discovery, preparation and court appearances for trial or appeal and the County shall provide all such legal services. The intent of this provision is to ensure that the overwhelming majority of Attorney's time, talent and advanced expenses is involved in the prosecution of delinquent real property taxes on a volume basis, and that any case that involves an extraordinary amount of effort, such as in the preparation of a case for trial, that the County Attorney or his designee shall be responsible for the continued prosecution of such case.
- 17. This agreement shall be for the period of three (3) fiscal years, beginning July 1<sup>st</sup>, 2018 and terminating on June 30<sup>th</sup>, 2021. After the initial three year term set out above, this Agreement shall renew itself automatically for three year terms, unless either party shall give written notice no less than 90 days prior to the end of the then current term. Upon each renewal, there will be a seven and one half (7.5%) per cent increase on all attorney fees set out hereunder. The intent of this provision regarding increases in attorney fees is to allow a two and one-half (2 ½%) annual increase for each year of the contract, made upon each renewal of the term of the agreement.
